

Chemistry 30S

Collège Sturgeon Heights Collegiate

Mr. D. Libby - dlibby@sjsd.net

www.libby-teach.net

Topics

1. Physical Properties of Matter
2. Gases and the Atmosphere
3. Chemical Reactions
4. Solutions
5. Organic Chemistry

Evaluation

Tests	50%
Quizzes	5%
Assignments	5%
Labs	15%
Final Exam	25%

Final Examination

There will be a final examination during the school examination period.

Homework

Homework should be completed to ensure success in this course. You are old enough to ensure that your homework is complete.

Assignments and Labs

Assignments and labs must be handed in on or before the due date. If there is a problem, please make arrangements prior to the due date - not on the day it is due.

Tests

All tests will be announced at least 3 days prior to the test date. If a test is missed due to an excused absence, arrangements will be made to write the test at another time.

Quizzes

Quizzes will be given at random intervals throughout the course, usually without notice. If a quiz is missed due to tardiness or an unexcused absence, the student will receive a grade of zero.

Extra Help

Extra help will be available from 8:00 to 8:20 and at lunch time every day.
